Your Labdoo account user name: **elisafimoskisa**

Project Site

1. Project title or name of your school, project, or NGO (*): **Digital Access for Education and Sports Development**

2. Project Description (*): **Moshi Street Kids Soccer Academy (MOSKISA) is a community-based academy in Moshi, Tanzania, that uses football and education to empower vulnerable and underprivileged children, especially those from the streets. Founded in 2017, MOSKISA combines sports training with academic support, life skills, ICT, and mentorship to help children build brighter futures. The laptops and tablets will be used to support academic tutoring, online learning, digital literacy, sports training analysis, and administrative tasks.**

3. Number of students(*): **80–100**
